MUSICOLOGY Titles in Print 2006

This catalogue lists the musicological publications in print that are published by Broude Brothers Limited; Broude International Editions, Inc.; The Broude Trust for the Publication of Musicological Editions; and Performers' Editions.

ENTRIES

Works are listed alphabetically by composer, author, compiler, or, for anonymous works and collections of works by several composers, by title. Scholarly series prepared by a single editor are listed by editor, with individual volumes devoted to the works of a single composer listed once with the series and once under the composer.

PRICES AND PAYMENT

The prices in this catalogue are in US Dollars. Prices listed here are those in effect as of January 15, 2006, and supersede those in all previous Broude catalogues and price lists. Although every effort will be made to maintain prices at their current levels, *prices are subject to change without notice*. Should such changes occur, items affected will be invoiced at the prices in effect when orders for them are received.

Orders are invoiced and payable in US Dollars, with the following exceptions: Orders originating in the United Kingdom are invoiced in US Dollars but may be paid either in US Dollars or in Sterling. If an invoice is paid in Sterling, the US Dollar total of the invoice is converted into Sterling at the exchange rate in effect as of the invoice date plus 3%. Orders originating in continental Europe are invoiced and payable in Euros.

RESTRICTED SALE

Because of copyright restrictions, certain works in this catalogue are not for sale in certain territories. Customers will be advised if their order cannot be filled because of such restrictions.
